**STATEMENT OF SUBSTANCE OF INTERVIEW**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

A personal interview was held with Examiner Rogers on April 5, 2005 with regard to the above-identified application. Applicant appreciates the courtesies extended to Applicant's representative by Examiner Rogers at the personal interview. The reasons presented at the interview resulted in a favorable action, which is incorporated into the remarks below and constituted Applicant's record of the interview.

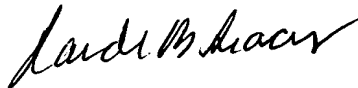

During the personal interview, the distinguishing feature of claim 1 with respect to U.S. Patent No. 5,869,828 to Braginsky as well as the request of rejoinder of claims 6-14 were discussed. Our points presented include arguments asserted in the Amendment filed on March 8, 2005. Specifically, Applicant's representative asserted that Braginsky does not disclose the method of expression of a computer object recited in independent claim 1.

Because the Examiner agreed during the personal interview that the claims define over Braginsky as well as rejoining claims 6-14, prompt allowance is respectfully requested.

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,

James A. Oliff
